Millamolong  Polo Club

James Ashton established Millamolong Polo Club in 1997 to honour the memory of his son Jamie, a promising polo player who lost his young life in a road accident. Today, the Club is proud to have hosted many national and international teams and its annual events attract bigger and bigger followings each year, with the James Ashton and Jamie Ashton Memorial Cups being challenged every autumn.

In 2011 most of Millamolong's landholding was sold, but the Millamolong Polo Club and ground continues with enthusiasm and is today run by a committee of dedicated members. Millamolong continues to go from strength to strength. As we move into the future, we will continue to promote the great sport of polo and support the local and global community.
